

THE SOURCE NEWSLETTER

Hey Vero Family,

Summer is in full swing—and we've been busy inside and outside the clinic. From helping kids get a strong, healthy start. To collecting supplies for youth who need hope. To tackling the gut issues that hold so many people back. It's all connected.

And it's all part of our mission to help you heal—fully, naturally, and from the inside out. Here's what's been happening—and what's coming next.

JUNE WAS FOR THE KIDS!!!

June was all about the kiddos—and the results spoke for themselves.

Each child received a complimentary evaluation, a fun goodie bag, and most importantly—real answers. For many families, it was the first time they truly understood how nervous system stress could be at the root of challenges with sleep, digestion, mood, or development.

Throughout the month, we witnessed powerful shifts. Gentle, focused chiropractic care helped kids find a better path forward—and gave parents something invaluable: clarity, confidence, and peace of mind.

That's the power of early intervention. That's the heart behind Vero Kids Month. And we're just getting started.

LET'S HELP KIDS HEAL OUTDOORS

We're partnering with Mountain Throwers Ministry, a local nonprofit helping inner-city youth encounter God and find healing.

We're collecting the following items in the Vero lobby:

- Zebco 33 fishing poles
- Fishing bobbers
- Fishing hooks
- S'mores supplies (graham crackers, marshmallows, chocolate, skewers)
- Paper plates
- Napkins
- Plastic utensils (forks, knives, spoons)
- Permanent markers (black and colored)
- Name tag label stickers

Your donation could spark something life-changing. Let's fill the bin and give these kids a summer they'll never forget.
