VERO

VOL 95

OCTOBER 2025

THE VERO FALL GIVEAWAY HAS BEGUN!

It wouldn't be fall without a little fun, and our seasonal giveaway is one of our favorite traditions. This year, we're giving two incredible prize bundles! One lucky winner will enjoy a **\$100 gift card to Wilson Cider House** along with two insulated glass mugs. Another will win a **Solo Stove smokeless bonfire pit** complete with a plush blanket and s'mores kit, making it the ultimate setup for fall evenings by the fire.

Getting entered is simple, and the best part is that you can earn multiple chances to win. Whether it's leaving us a review on Google, voting for us in the CityView contest, sharing your story through a testimonial, or referring a friend to Vero, every action earns you more entries. The more you participate, the better your odds! Entries close November 30th, and we can't wait to draw two winners who will head into the holiday season with something special.

SPOTLIGHT ON KNEES: RELIEF WITHOUT SURGERY

Knee pain is something we hear about often, and it can really hold people back. Our knee protocol is designed to bring lasting relief without surgery, using gentle knee decompression, neurologically-based chiropractic care, and even regenerative medicine options. We've seen amazing results—practice members getting back to walks, playtime, and daily life without the nagging pain. If knee pain has been slowing you down, ask us about the program at your next visit!

COZY UP WITH A VERO SWEATSHIRT!

You've been asking for Vero gear, and it's finally here! We're rolling out our brand-new sweatshirts this month, just in time for the chilly weather. Not only are they super soft and cozy, but they're also a great way to show off your Vero pride both in and out of the office.

Sweatshirts are available at the front desk for \$40, and we've already had lots of interest—so don't wait too long to snag yours. Consider it a little early Christmas gift to yourself (or a thoughtful surprise for a fellow Vero fan!).

LOOKING AHEAD TO A GREAT OCTOBER

October is a season of crisp air, cozy evenings, and fresh routines—and we're so glad to share it with you. Whether you're taking advantage of our knee program to stay active, snagging a Vero sweatshirt to keep warm, or entering our fall giveaway for some seasonal fun, there's plenty to enjoy this month. Most of all, we're grateful for the trust you place in us and the chance to be part of your health journey. Here's to a happy, healthy October filled with energy, comfort, and maybe even a little adventure!
